

HOW TO SET UP A ZINIO ACCOUNT

Magazines (current month and back issues) are available online **free** from the Mid Hudson Library System. With this system you can view magazines online or download them to your computer, device, or phone. You are **not** required to return your selections and there is **no** limit on quantity.

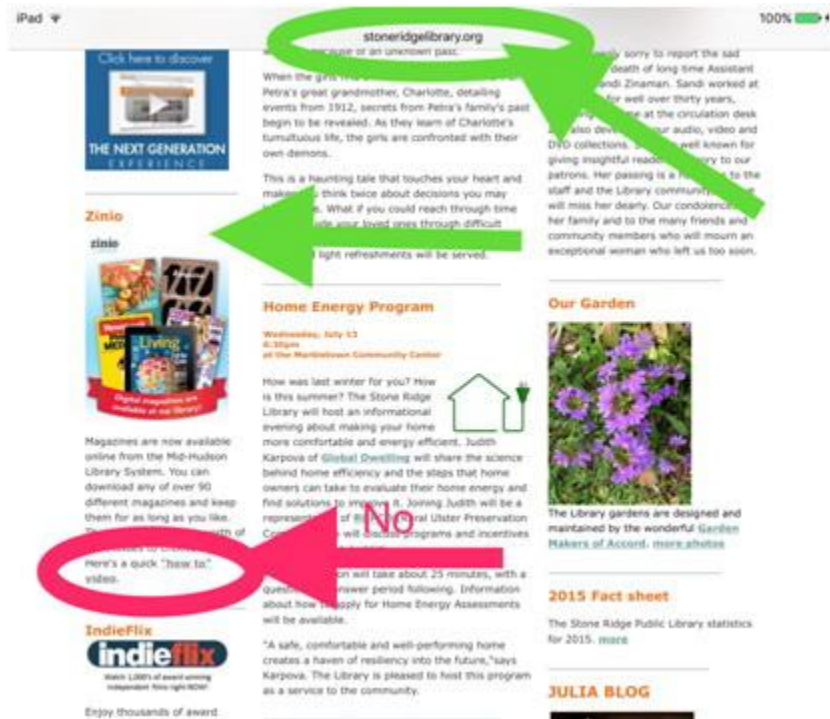

NOTE: The stepwise approach below will take less than ten minutes to set up. To use this service you must follow the "STEPS" in order.

STEP 1: You will need your library card to refer to the barcode (this will be the only time you will need your library card).

STEP 2: Go online to the Stone Ridge Library "Home" page...stoneridgelibrary.org

STEP 3: On the "Home" page half way down on the left side tap "Zinio".

STEP 6: Exit the Internet and return to your "Home" page on your computer, device, or phone and tap on "App Store". Type in the App search box "Zinio" and download this app making sure to choose the "Zinio for Libraries" app (see below). This app is free.
